

MC20 RANGE EXTENDED WARRANTY

DESIGNED FOR THE PERFECT PEACE OF MIND

Nothing should compromise the emotions that your MC20 delivers, this is why we have designed the Maserati Extended Warranty program that allows you to extend the warranty coverage up to the 5th year without mileage limits.

This means you can keep driving confidently with the certainty that your car is being assisted by our skilled Maserati technicians with the same pride and attention to details that went into its creation. What's more, all warranty and maintenance work is carried out at official Maserati dealerships by highly skilled Maserati technicians using Maserati Genuine Parts, and for extra peace of mind, this program also includes Maserati Mobility services.*

* Complementary mobility services are subject to regional restrictions.

IMMERSE YOURSELF IN THE SPORTY SOULS WITHOUT INTERRUPTIONS
