# MAKE EVERY DAY EXCEPTIONAL

By choosing the Ghibli, you're demanding more from your drive: more luxurious relaxation; more thrilling enjoyment behind the wheel.

Our range of accessories reflects that thirst for excellence, further enhancing the comfort, style and exhilarating driving experience of this truly extraordinary vehicle.

# THE PLEASURE OF CUSTOMISING

Each wheel on the Ghibli is a small masterpiece, perfectly balanced, technologically advanced and eminently stylish. When you customise your wheels, you'll discover the peak of pin-sharp handling and refined power your car can offer – and you'll mark it with your own personal style.

# PRECISION AT EVERY TURN

## COMPLETE WHEELS

You'll have all you need to tailor your aesthetics and performance in the Maserati Complete Wheels. It matches your choice of wheel rims and Maserati Genuine Tyres, already balanced and ready to fit. Wheel centre caps and tyre pressure sensors complete this total package.

## MASERATI GENUINE TYRES

Take advantage of our racing heritage by fitting Maserati Genuine Tyres. The "MGT" (Maserati Genuine Tyres) marking is your reassurance of optimal control and precision. Tailored to the conditions, the Summer and Winter tyres for the Ghibli offer maximum performance on dry and wet roads.

## BRANDED VALVE COVERS

No detail is too small to be highlighted. Available in three colour variants (black with silver Trident, black with red Trident, silver with blue Trident), the Branded Valve Cap Kit is distinguished by the iconic Trident logo at the centre.

## WHEEL RIMS

Each pairing of Maserati and driver has an individual character - whether you enjoy the passion of the open road or the thrill of the city streets. The choice of Wheel Rims puts a very personal stamp on a car, giving it a sense of style that matches its owner. The Maserati range of bold, elegant wheel rims emphasise the vehicle's speed, power and style in different measures. Part of your journey as a Maserati owner is making that personal decision for your vehicle. All of the wheel rim options available when originally customising a Maserati are also available as part of the Accessories range.

**VULCANO

**SECURITY STUD BOLT**

An additional touch of style to your unique wheel rims with the black-finished or chrome-plated bolts. They are unexpectedly elegant and bold, paired to the wrench in the kit, they cannot be removed by any other tool. The full kit protects all your wheel rims and includes the wrench and four security bolts.

**BRAKE CALIPERS**

The subtle flash of Brake Callipers from behind the wheel spokes confirms your Ghibli as a true sports car. You can choose from colour or metallic, to make your own personal statement.

**WHEEL CENTRE CAPS**

Strongly evocative of the Maserati performance soul and the assertive power of the Ghibli, our Wheel Centre Caps instil your wheel rims with racetrack energy. Choose from powerful Matt Black, silken Glossy Black, or stylish Carbon Fibre, all with the iconic Maserati Trident logo as a centrepiece.

# THE PLEASURE OF PERFORMING

The spine-tingling resonance of a Maserati engine makes it impossible to forget that the Ghibli is a luxury vehicle with a racing heritage. If you choose, you can emphasise the sportiness of your vehicle still further, creating a driving experience that's rich in style and passion.

# EXPERIENCE THE EXHILARATION OF THE TRACK

## EXTERIOR CARBON PACKAGE\*

With this package you can add carbon fibre detailing, transforming your Ghibli to bear the unmistakable marks of Maserati racing style.

The kit includes several carbon fibre sport customisations:

- Window Mirrors
- Door Handle
- Front Grille
- Rear Spoiler
- Front Splitter
- Central & Rear Pillar
- Wheel Caps
- Front Doorsills

\*Please check whether your vehicle can be fitted with these components.

## GEARSHIFT PADDLES\*

Adding a touch of dynamism and rugged style, the Skid Plates for the Levante protect the lower bodywork when you venture off-road. The Skid Plates come with a choice of finish: either Chrome or Black colours.

## SPORT PEDAL COVERS\*

Form and function combine seamlessly in the striking brushed steel Sport Pedals. Adding a touch of sporting elegance they are carefully designed with engineered rubber inserts for maximum 'feel' when driving at speed. The Maserati oval logo on each pedal cover adds an extra touch of refinement.

\*Please check whether your vehicle can be fitted with these components.

# THE PLEASURE OF CARING

In a city full of sports sedans, the Ghibli stands out instantly. Its assertive grace, its air of racetrack excitement and the controlled power of its engine are all unmistakable characteristics that mark it out as a Maserati. With our range of care accessories you can keep your Ghibli in perfect condition, drawing all eyes wherever it goes.

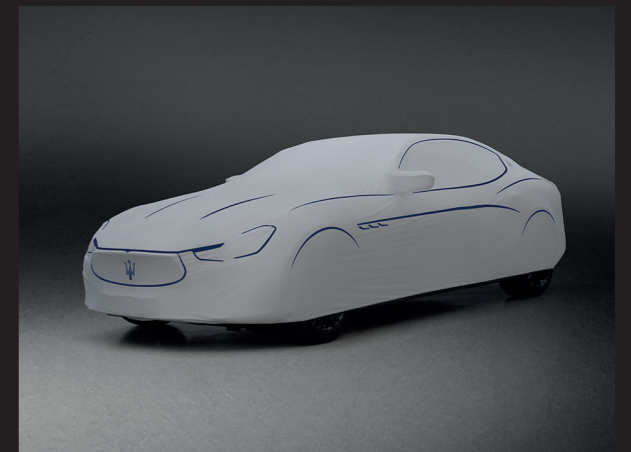

# MASERATI STYLE, FLAWLESSLY PRESERVED

## OUTDOOR CAR COVER PERSONALIZED

Protect your Ghibli beautifully with our Outdoor Car Cover. Breathable and stretchable, the figure-hugging fabric flexes with the wind and shrugs off the rain with no hint of flapping or rattling. The cover is a lustrous light grey colour adorned with the Trident, and it can also be personalised with your initials on demand. Three side air vents add a finishing touch in true Maserati style.

## INDOOR CAR COVER PERSONALIZED

Make sure your Ghibli is completely and beautifully protected with our Indoor Car Cover. Snug inside the cover, the car's smooth lines are pleasingly visible, while the specially chosen, anti-laddering fabric, which can also be personalized with your initials, ensures bodywork, rims and tyres remain pristine. The cover folds neatly into a branded bag when you're ready to get behind the wheel.

## INDOOR CAR COVER ZEGNA

Specifically tailor made, the Maserati Zegna Indoor Car Cover not only fully protects your Ghibli but ensures your vehicle looks as sensational in your garage as it does on the road. Thanks to the exclusive stretchy and breathable fabric, the Zegna Indoor Car Cover assures the best fit and avoids any condensation, making sure your Ghibli is completely protected and taken care of.

**MICROFIBRE CLOTH**

Keeping your Maserati Touch Control display free from fingerprints is a simple matter with the specific Microfiber Cloth. The new Maserati pattern is specially designed to clean and protect your touchscreen and keep it completely smear-free.

**BATTERY CHARGER & MAINTAINER**

The Battery Charger and Maintainer keeps battery levels at between 95% and 100%, topping up with extra charge whenever necessary. It easily attaches to your battery and plugs into a standard power socket - and you can keep it connected to your vehicle for several months without any risk of damage.

**SIDE PROTECTIVE FILMS**

On a high-performance vehicle, the sides of the bodywork are vulnerable to scratches and dulling from gravel. The Side Protective Film allows you to enjoy an exhilarating drive without hesitation, knowing that your paintwork is shielded from damage. Created from the same urethane layer as the Protective Film for the Loading Edge, it is virtually invisible and will remain so over time. The film is applied using a water-based adhesive solution, which can be removed without leaving any residue.

**PROTECTIVE FILM FOR THE LOADING EDGE**

Heavy suitcases can be loaded without worry thanks to the Protective Film applied to the rear bumper's loading edge. Made from a moulded urethane layer, it provides reassuring protection for your bodywork. It will remain perfectly transparent over your Maserati paintwork and, if necessary, can be peeled off without a trace.

**BRANDED FLOOR MATS**

Our Branded Floor Mats are designed to enhance the luxurious interior of the Ghibli. Each mat is trimmed with eco-leather, and the driver's mat is decorated with a finely embroidered version of the Ghibli logo on a special insert. The mats mould to the shape of the vehicle and anchor for stability and safety while driving. The colour options - Black, Brown and Sabbia - perfectly complement the interior upholstery. The kit consists of two front and two rear mats.

**ALL SEASONS FLOOR MATS WITH EDGE**

The All Seasons Floor Mats with Edge are the ideal solution to protect the vehicle's interior and preserve the quality and beauty of the passenger compartment over the time, even in the most extreme conditions. Made of black rubber material, the mats are shaped to precisely fit the interiors of your car, efficiently protecting from water, mud, sand and any other external agents.

**ALL SEASONS FLOOR MATS**

The All Seasons Floor Mats offer robust protection and the safest possible drive. Perfectly fitted, the mats anchor firmly to the floor with clips, making sure the carpet is completely covered and the pedals are unobstructed. The easy-to-clean black rubber offers excellent grip, wet or dry. It is completely waterproof and resists snow, sand, oil and mud. The kit consists of two front and two rear mats.

# THE PLEASURE OF TRAVELLING

Our practical accessories help you make the most of the ample luggage capacity in the Ghibli, whether you're carrying suitcases for your family or just your jacket and briefcase. With everything you need to secure your belongings and protect your car's finish, you can concentrate on enjoying your time behind the wheel.

# EFFICIENT DESIGN FOR EFFORTLESS TRAVEL

## LOADING EDGE PROTECTIVE MAT

Extending almost to ground level, this mat protects the edge of the luggage compartment and the rear bumper against the unavoidable bumps from heavy luggage. Designed in robust, non-flammable and water-repellent material, it will keep your paintwork and bodywork in immaculate condition for longer.

## TRANSPORT AND LOADING SOLUTIONS

### LUGGAGE COMPARTMENT MAT

The Luggage Compartment Mat covers the floor of the Ghibli luggage compartment perfectly, leaving the anchors and optional luggage rails uncovered and accessible, or, in its full version, fitting the vehicle's boot completely thanks to the raised edge. Washable, waterproof and 100% recyclable, the thermoplastic material protects the interior from water, smell, dirt and wear, assuring high-level quality, strength and flexibility.

\*The Full Version of the Luggage Compartment Mat is not compatible with the Maserati

### REVERSIBLE LUGGAGE COMPARTMENT MAT

Whether you're loading up luxury luggage or snow-caked skiing gear, the Reversible Luggage Compartment Mat ensures your luggage compartment is prepared. One side of the mat is hard-wearing rubber, waterproof and easy to clean. The other is plush black carpet. A comfortable handle on either side makes it easy to lift, turn and position the mat. Both sides are embellished with an elegant metal plate, hand-enamelled in black, bearing the Maserati logo.

#### LUGGAGE COMPARTMENT NET

In order for you to focus on driving your Maserati, we've designed a Luggage Compartment Net that keeps belongings firmly in place. Crafted in black colour, it attaches securely to the luggage compartment floor. With a double layer for extra security, it ensures smaller items are safely anchored while you enjoy your on-road experience to the full.

#### SKI & SNOWBOARD BAG

Substantial enough for three pairs of skis, or a pair of skis and a snowboard, the Ski and Snowboard Bag is the perfect partner for your Ghibli on the slopes. With a rear seat folded down, the bag slots neatly into place, securely attached to a hook in the luggage compartment and to the rear seat with a sturdy strap. The bag can be extended by 30 cm to comfortably accommodate longer length skis.

#### LUGGAGE COMPARTMENT FOLDABLE BOX

Providing the most efficient use of space in the luggage compartment, the Foldable Box is the ideal place to store your smaller items safely. Beautifully designed and impressively versatile, with attachments and pockets, it's both elegant and immensely versatile. Collapsing the two large compartments, it transforms into a Maserati branded leather-finish briefcase, to hold your important documents or a tablet.

# THE PLEASURE OF RELAXING

Whether you're a driver or a passenger, a journey in a Ghibli is always time well spent. It's a luxurious rest, a chance for quiet focus, or a moment of pure exhilaration as the engine roars. The range of technological and functional accessories for the Ghibli is designed to make the most of your time, maximising the enjoyment, ease and convenience you get from your luxury sports sedan.

# AN INVITATION TO UNWIND

## PERSONALIZED FRONT DOOR SILLS PLATES

Make your Maserati a unique masterpiece. In line with the Trident style, luxury and exclusivity, it is now possible to personalise the Front Door Sill Plates with the name initials or a combination of letters, graphically embellished with the iconic "Saetta" line logo that distinguishes all the Maserati vehicles.

## UNIVERSAL TABLET HOLDER\*

While you enjoy being behind the wheel of your Ghibli, your passengers in the back can relax with quality in-seat entertainment. The Universal Tablet Holder mounts securely on the front seat headrest and holds a tablet or large smartphone. It can be easily adjusted to the perfect position for watching films or reading documents. Designed in black soft-touch material, the holder features a silk-screened Maserati logo in silver grey, attractive and unobtrusive enough that it can be left installed in place at all times.

\*Please be aware, the Universal Tablet Holder cannot be installed if the vehicle is equipped with Sport Seats.

## TECHNOLOGY AND FUNCTIONALITY

### COURTESY LIGHTS WITH LOGO

Customize your Maserati with a touch of exclusivity by choosing one of the Maserati specifically designed Courtesy Lights. Each one presents a different version of the Maserati Logo. Emphasize the elegant and sporty soul of your Maserati, leaving a distinctive mark when exiting your car.

#### FRONT AND REAR PARKING SENSORS\*

For easy and safe manoeuvres, the Front and Rear Parking Sensors give you a better sense of the objects around you. Using the clear graphic representation on the multifunction display screen, you can precisely judge your parking and turning. There are six front and four rear sensors, giving excellent coverage and accuracy.

\*Please check whether your vehicle can be fitted with these components.

#### HOT SPOT WI-FI CONNECTION MODULE\*

Turn your sports sedan into an office – or a living room. The Hot Spot Wi-Fi Connection Module provides wireless internet access on the road, allowing you to connect up to three devices. While you enjoy the drive, your passengers can send emails, work in the Cloud, or just take a well-earned online break. The module supports HSDPA, UMTS, EDGE and GSM.

\*Please check whether your vehicle can be fitted with these components.

#### REMOTE START\*

Start your ideal journey before boarding. The Remote Start Function allows the Customer to create the desired temperature when entering the car by activating the cooling/heating system remotely. By simply pressing a button on the car key, the Remote Start will activate the air conditioning or heating system.

\*Please check whether your vehicle can be fitted with these components.

#### SMART GATE REMOTE CONTROL

The Smart Gate Remote Control is an electronic device that allows a maximum of 10 people to remotely control up to 4 gates, thanks to the dedicated “MaseratiSRGC” smartphone app.

\*Please check whether your vehicle can be fitted with these components.

**REAR-VIEW PARKING CAMERA\***

With the Rear-View Parking Camera, you get the optimal view of your surroundings. The picture on the internal display screen is always clear, even in low light or bright sunshine. The camera fits discreetly next to the luggage compartment opening button, above the number plate.

\*Please check whether your vehicle can be fitted with these components.

**REAR WINDOW ELECTRIC SUNSHADE\***

The Rear Window Electric Sunshade filters the sunlight, reducing heat and cutting down glare in the passenger compartment. The driver can control the sunshade via the car display, and the rear passengers can control it via a small switch panel.

\*Please check whether your vehicle can be fitted with these components.

**KICK FUNCTION\***

Thanks to a sensor positioned under the rear vehicle bumper, the Kick Function controls the automatic opening and closing of the luggage compartment door by detecting a simple foot movement.

\*Please check whether your vehicle can be fitted with these components.

**PRIVACY REAR WINDOW\***

The Privacy Rear Window Kit is designed to keep the passenger compartment private while still allowing your passengers to enjoy the scenery. From outside the car, the privacy glass obscures the view of the rear seats and gives the windows a stylish dark sheen. Inside it's cool and peaceful. The windows don't just block out prying eyes – they are highly UV reflective, filtering out the harmful wavelengths from the sunlight.

\*Please check whether your vehicle can be fitted with these components.

# THE PLEASURE OF FEELING SAFE

The Maserati Ghibli is inherently self-assured. With its natural elegance and dynamic power, you can be prepared for any situation. And we've designed a range of safety accessories so you can feel equally confident on your journey.

# FOR WHATEVER'S ROUND THE CORNER

## EMERGENCY Kit\*

The Emergency Kit holds all you could need to stay safe by the side of the road. Elegantly contained in a black case embellished with the Maserati name, it attaches securely and unobtrusively into the left-hand recess of the Ghibli luggage compartment.

Inside the kit you'll find:

- Hazard triangle
- Reflective vest
- Light sticks
- Wind-up torch
- First aid kit
- Gloves
- Ice scraper

\*The items in the kit may vary from country to country.

## JUMPER CABLES

These reliable and easy-to-use Jumper Cables are reassuring for you to keep in your Ghibli and can prove invaluable in helping other road users. Their practical leather-finish case, with Maserati branding, can be easily stored in the luggage compartment.

#### CHILD SEATS (\*) (\*\*)

Designed for the most precious passengers, the Maserati Child Seats and ISOFIX Base have been developed in line with the quality, design and loving care that evokes the style and elegance of the Trident. Born to perfectly fit with your Maserati, they come in a mélange fabric in Metallic color outer lining, embellished by an elegant white edge piping. All the three Child Seats are branded "Maserati" and customized with the Trident logo on the headrest and the "Maserati" name. The child seats are fully tested and comply with the current homologation criteria and are divided into three groups (0+; 1; 2/3), depending on the stature height of the child. They can be installed rear- and/or forward facing according to the Child Seat group. Notes: Group 0+ and Group 1 child seats may only be used in combination with the ISOFIX base. Group 2/3 attaches using the vehicle seat belt and the two anchors in place at the rear. Specific restrictions apply to specific countries. Please refer to your dealer for additional information.

#### ISOFIX BASE

All the Maserati vehicles are equipped with the ISOFIX anchoring system, a value added in terms of child safety and practicality. Using the ISOFIX Base, the child seat can be securely fitted to the vehicle and easily removed.

\*The Child Seats are available for the following countries: Albania, Algeria, Argentina, Austria, Azerbaijan, Bahrain, Belarus, Belgium, Bolivia, Bosnia Herzegovina, Bulgaria, Chile, Colombia, Costa Rica, Croatia, Cyprus, Czech Republic, Denmark, Dominican Republic, Ecuador, Egypt, Estonia, Finland, France, French Guiana, Georgia, Germany, Great Britain, Greece, Guadelupe, Holland, Honduras, Hong Kong, Hungary, Iceland, India, Iran, Ireland, Israel, Italy, Japan, Jordan, Kazakhstan, Kosovo, Kuwait, Latvia, Lebanon, Libya, Lithuania, Luxembourg, Macedonia, Malaysia, Malta, Mexico, Montenegro, Morocco, Norway, Oman, Panama, Paraguay, Peru, Philippines, Poland, Polynesia, Portugal, Qatar, Réunion, Romania, Russia, San Marino, Saudi Arabia, Serbia, Singapore, Slovakia, Slovenia, South Africa, Spain, Sweden, Switzerland, Syria, Thailand, Tunisia, Turkey, Ukraine, United Arab Emirates, Uruguay, Uzbekistan, Venezuela, Vietnam.

\*\*An EuroNCAP version of the Child Seats and Isofix Base is also available.
